

National University of Singapore Students' Union Welfare Pack Survey Analysis for AY 14/15 Semester 1

Grand total Welfare analysis

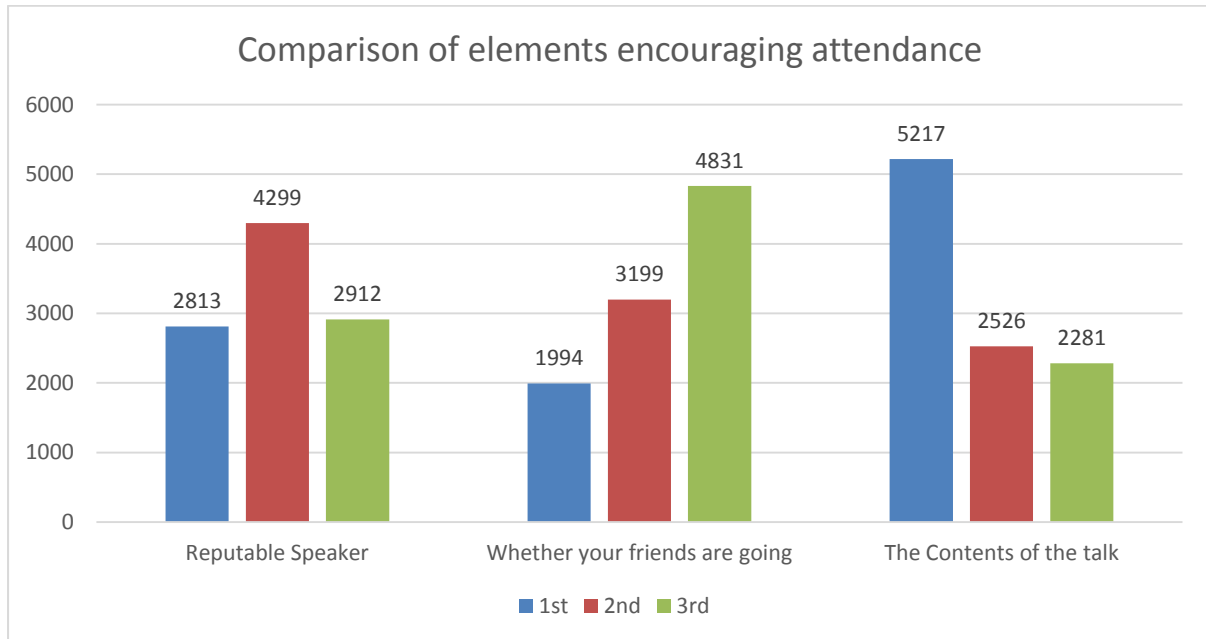

1. CAREER

Question 1: Do you think the career preparation programme (E.g. NCC Step-Up/Headstart Modules and Career Talks) provided by Career Centre (Centre for Future-ready Graduates) is sufficient and effective for students to prepare for working life? (1 - Not at all, 10- Very sufficient and effective)

Majority of respondents feel that the career preparation programmes are relatively sufficient and effective (5-8)

Question 2. Rank in order of importance the elements which would entice you to attend a career talk? (1 - most important, 3- least important)

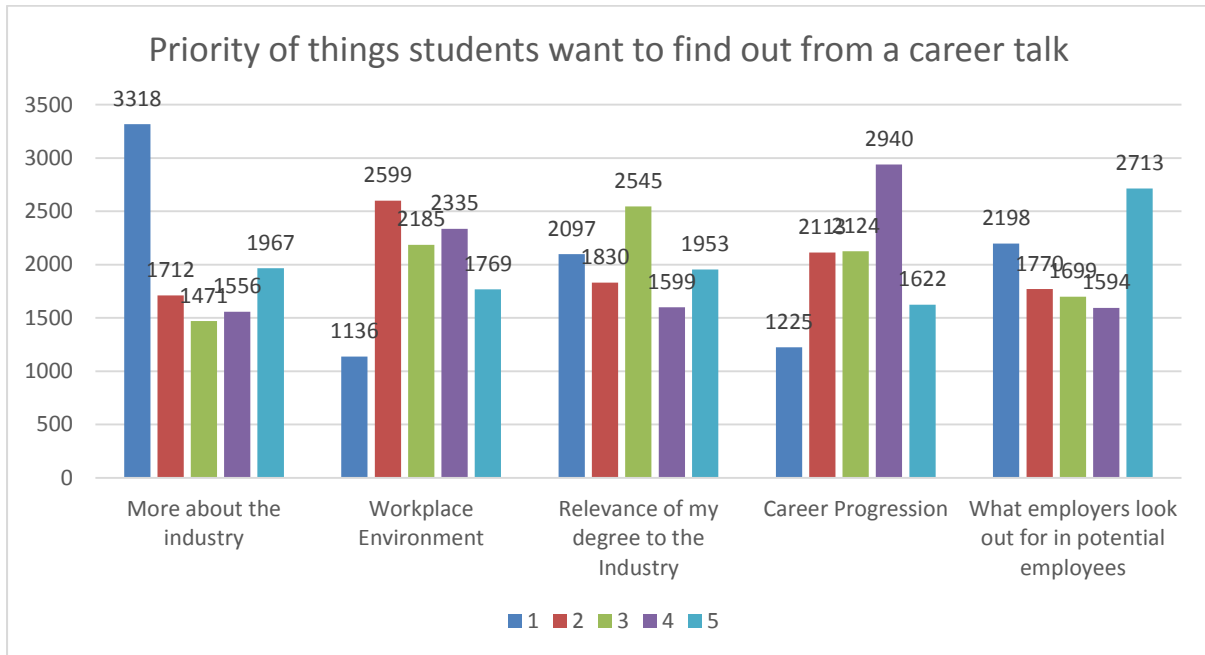

Most students are enticed by the contents of the talk and the reputability of the speaker. Whether their friends are going appears to be the least important consideration.

Question 2a. Are there any other elements which would entice you to attend a career talk?

- Description of working life in that career
- Freebies, food and goodie bags
- Speakers who are fresh graduates sharing their own experience
- Internship/Networking opportunities after the talk
- Relevance to major and interests
- Convenience of timing and duration

Question 3. What would you like to find out more about in a Career Talk? Rank in order of importance. (1 -most impmt, 5- least impmt)

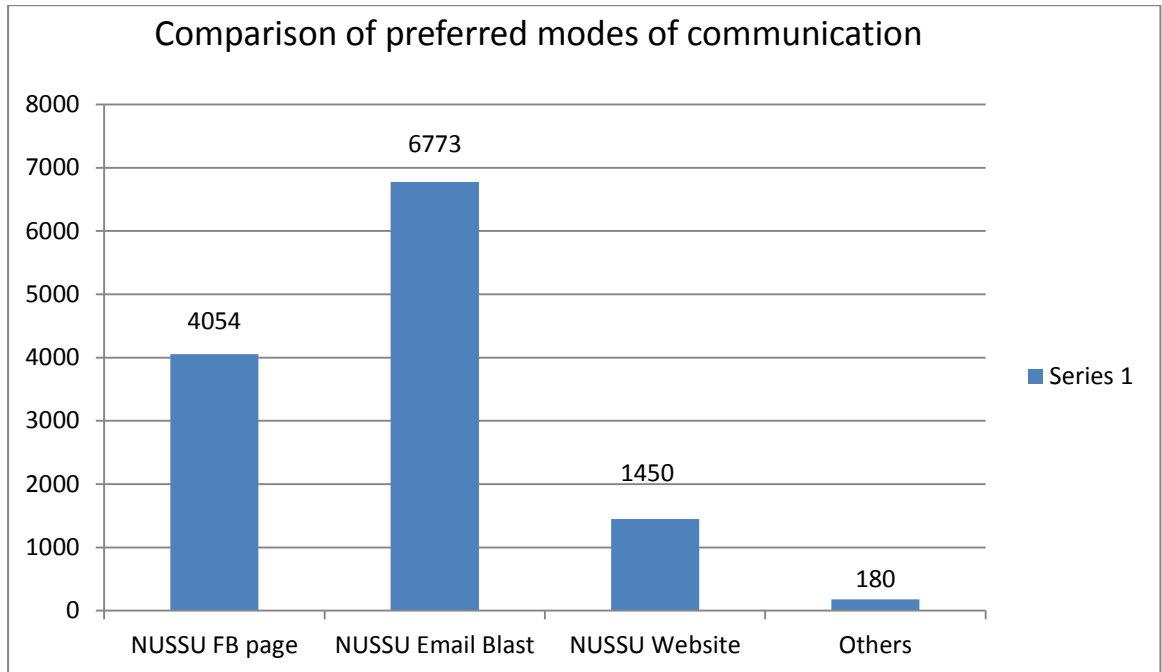

Majority of respondents want to find out more about the industry and its workplace environment.

Question 3a. Is there anything else that you are looking for in a career talk?

- Employee benefits
- Convenience of the talk
- Reputation of companies
- Relevance of the talk
- Networking opportunities
- Job Opportunities

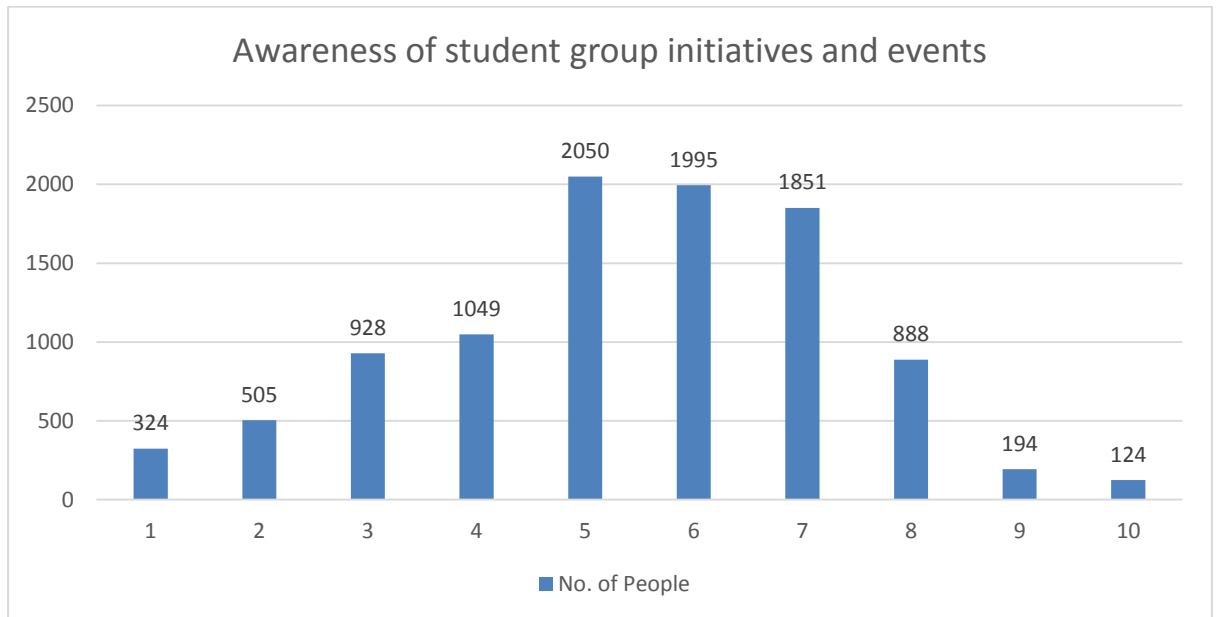

2. Communication and Participation

Question 4. Which of the following would you prefer as the primary mode of communication from the Union to send you updates on news and events?

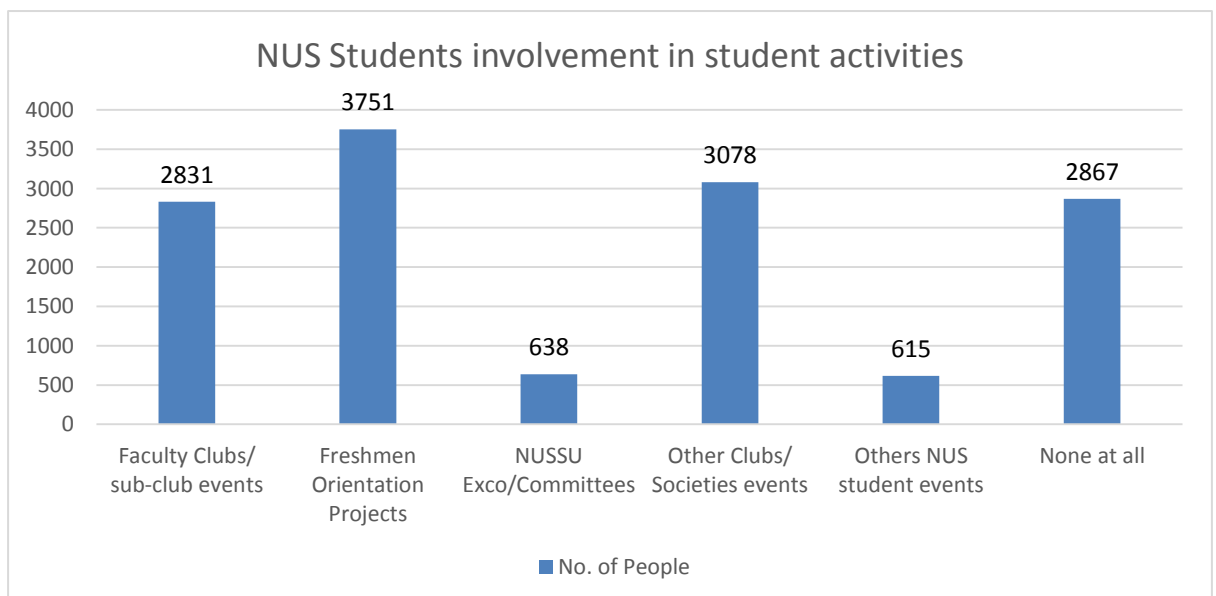

Most respondents prefer the NUSSU Email Blast as the primary mode of communication from the Union.

Question 5. On a scale of 1-10 how aware are you of the initiatives and events organised by student groups? (e.g. NUSSU, Faculty Clubs, Student Groups)

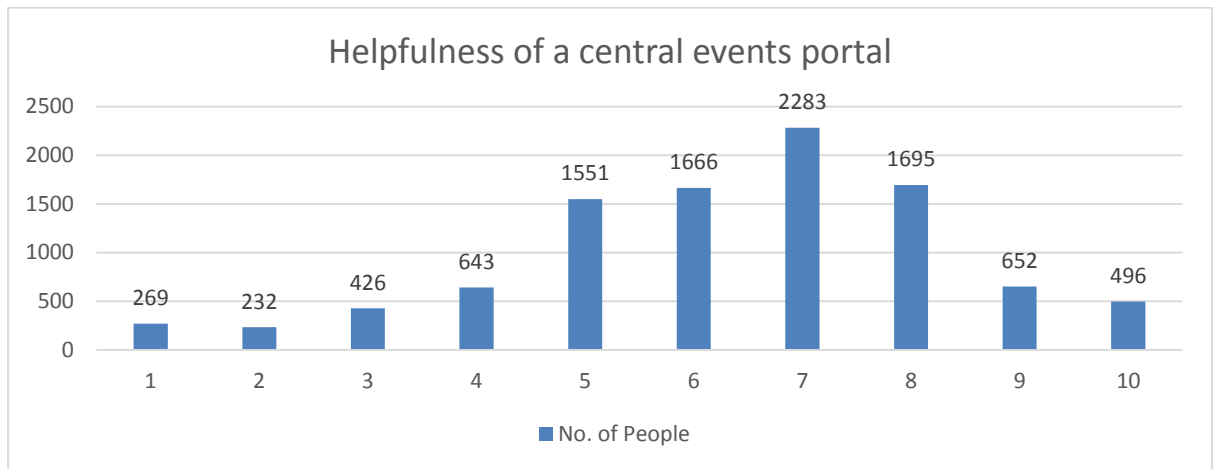

Communication could be enhanced further since the majority of the scores inclined towards the 5-6 range.

Question 6. Which of the following NUS student activities have you been a part of? (You may choose more than one)

A shocking number of students (2867) participate in none of the student activities. More could be done to engage these students.

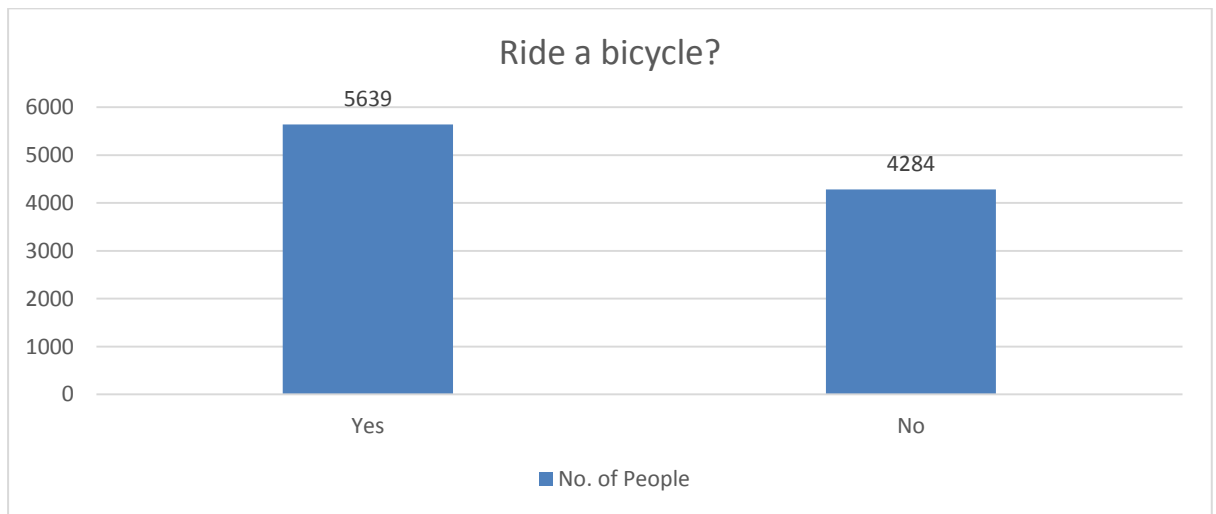

Question 7. On a scale of 1-10 how helpful will a central events portal be to increase your awareness of student activities? (an accessible portal that allow all students to see all NUS events in a calendar format)

Majority of the students believe that a central events portal will be useful.

3. *Campus Mobility and Infrastructure*

Question 8. Would you ride a bicycle in NUS if such an option is made available?

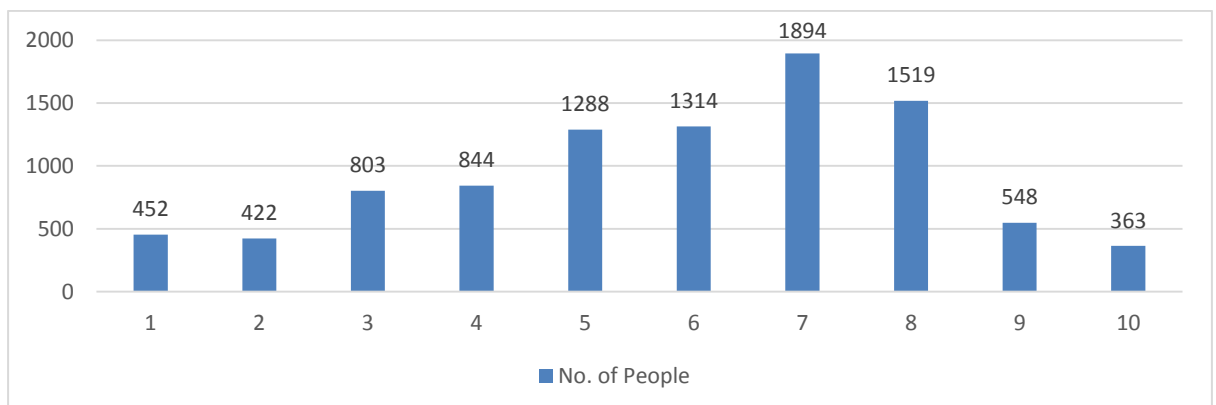

There is quite a balanced response. Safety considerations need to be taken into account if we allow this huge number of students riding a bike around campus.

Question 9. To what extent do you agree with the following statements?

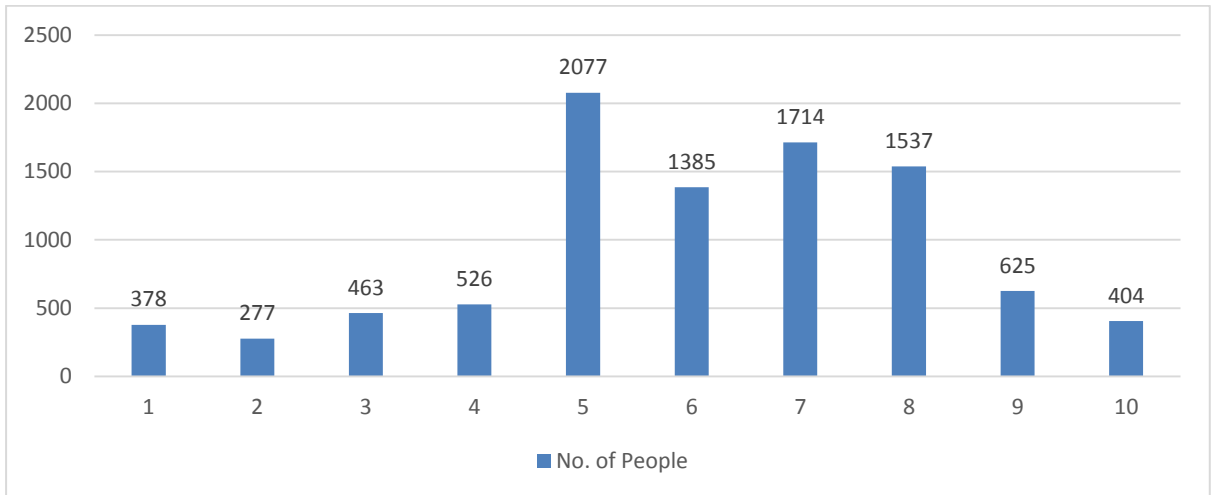

1-Totally disagree
10- Totally agree

Question 9a. I am able to get to my destinations on time most of the time using the ISB (Internal Shuttle Buses)

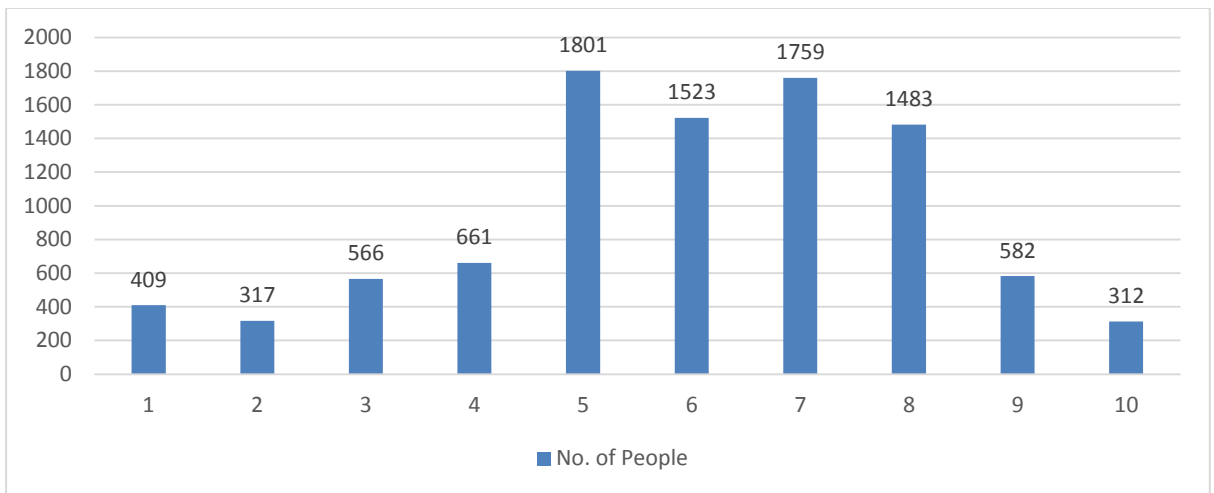

The ISB services is satisfactory with majority of respondents giving (7-8) points.

Question 9b. There have been improvements made to the ISB system as compared to last academic year

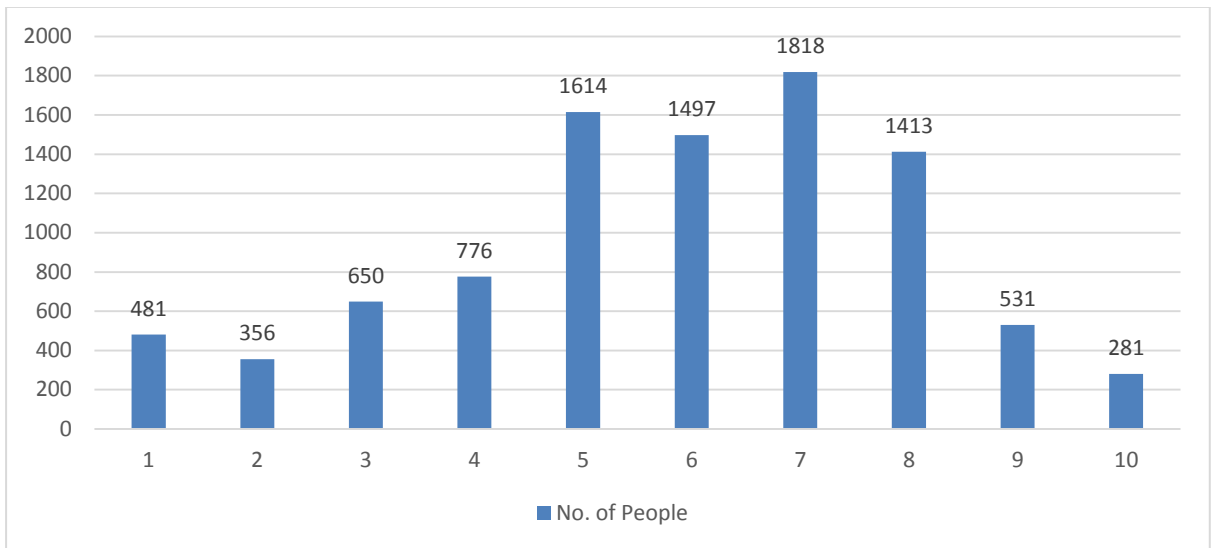

Majority of students feel that there have been improvements (5-8).

Question 9c. I am satisfied with the recent ISB implementations

Majority of students are satisfied with the recent ISB implementations (5-8).

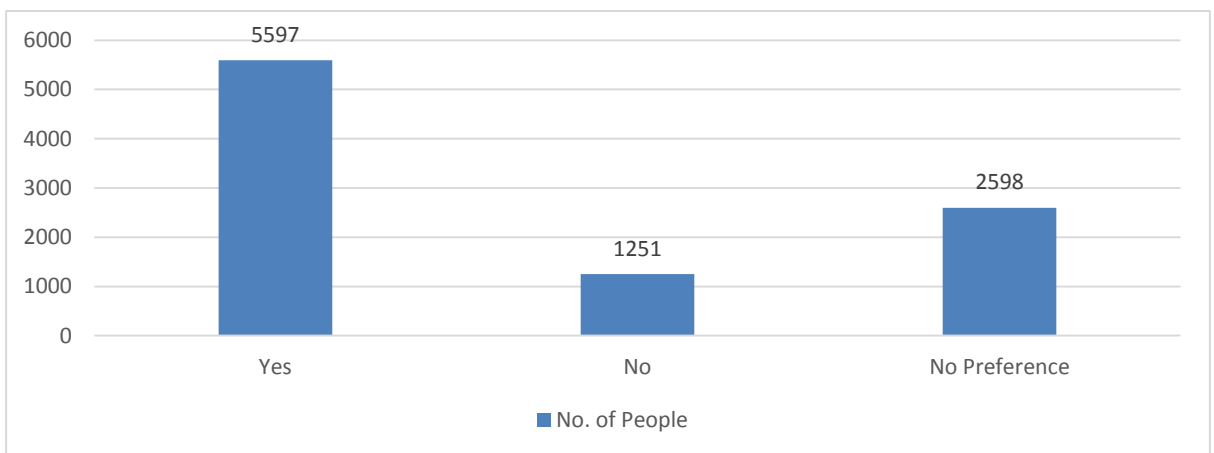

Question 9d. I am satisfied with the ISB system

Majority of engineering students are satisfied with the ISB system (5-8).

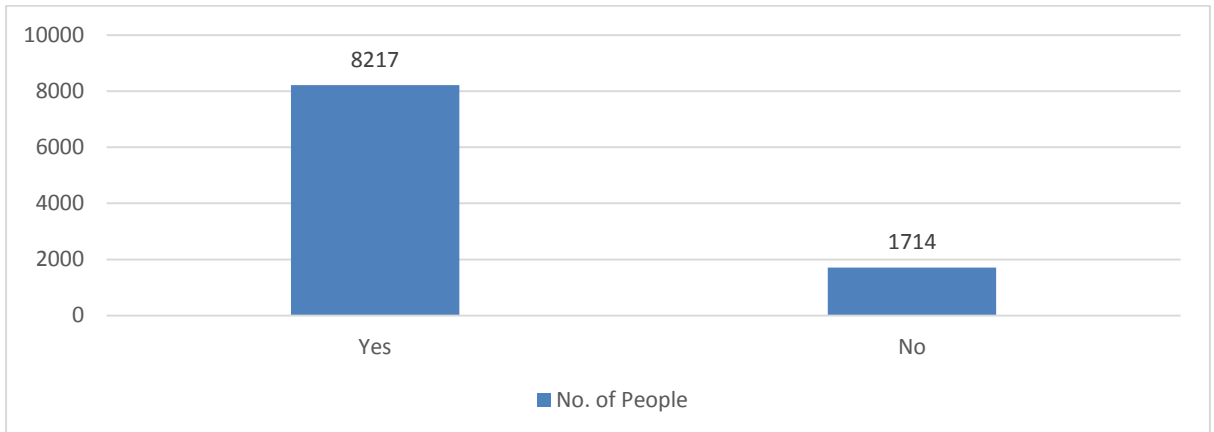

Question 10. Do you want to have Mobile phone charging stations* in the various places at NUS?

*Put your low-battery smartphones in a secure locker and retrieve it later

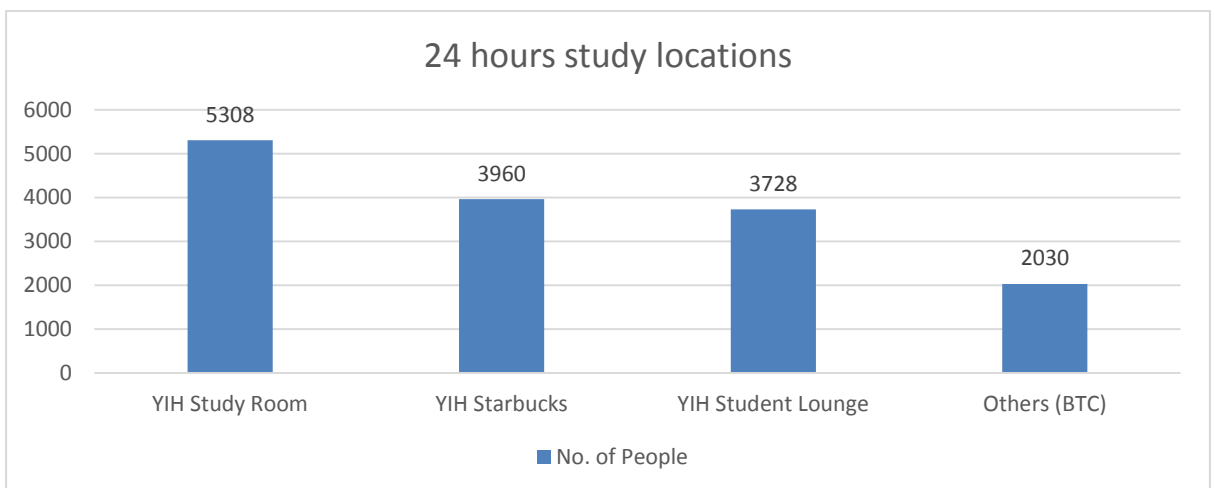

Most students would like to have mobile phone charging stations on BTC.

Question 11. Do you want to have more 24 hours studying places in NUS for the reading and examination week?

Majority of students wish to have more 24 hours studying places.

Question 11a. If yes, where do you want it to be at?

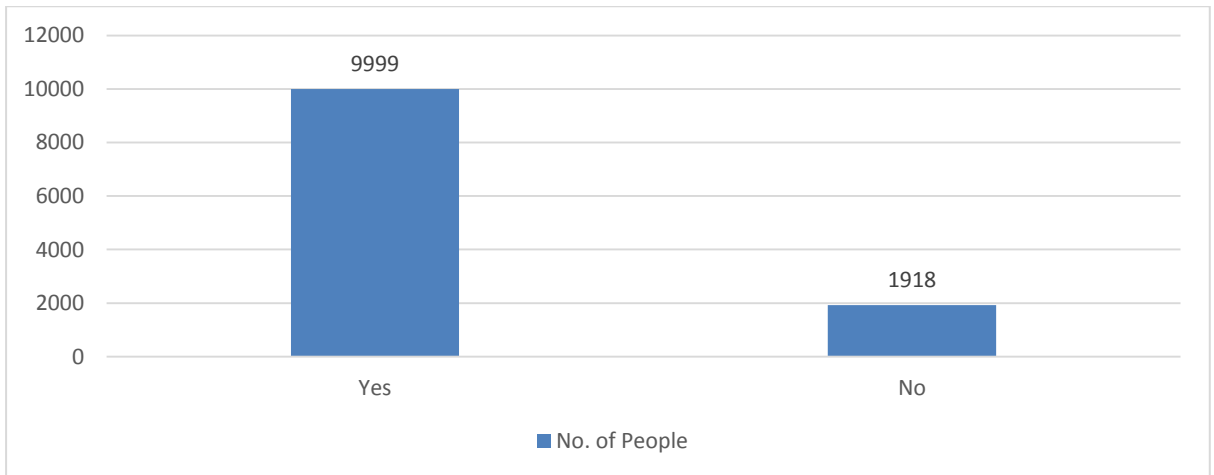

Majority of Engineering students want the YIH Study Room to be opened for 24 hours during reading and examination week.

Others

- UTown
- Tutorial Rooms
- AS7 in Arts
- Biz library
- EA Block
- PGPR
- Yong Siew Toh library

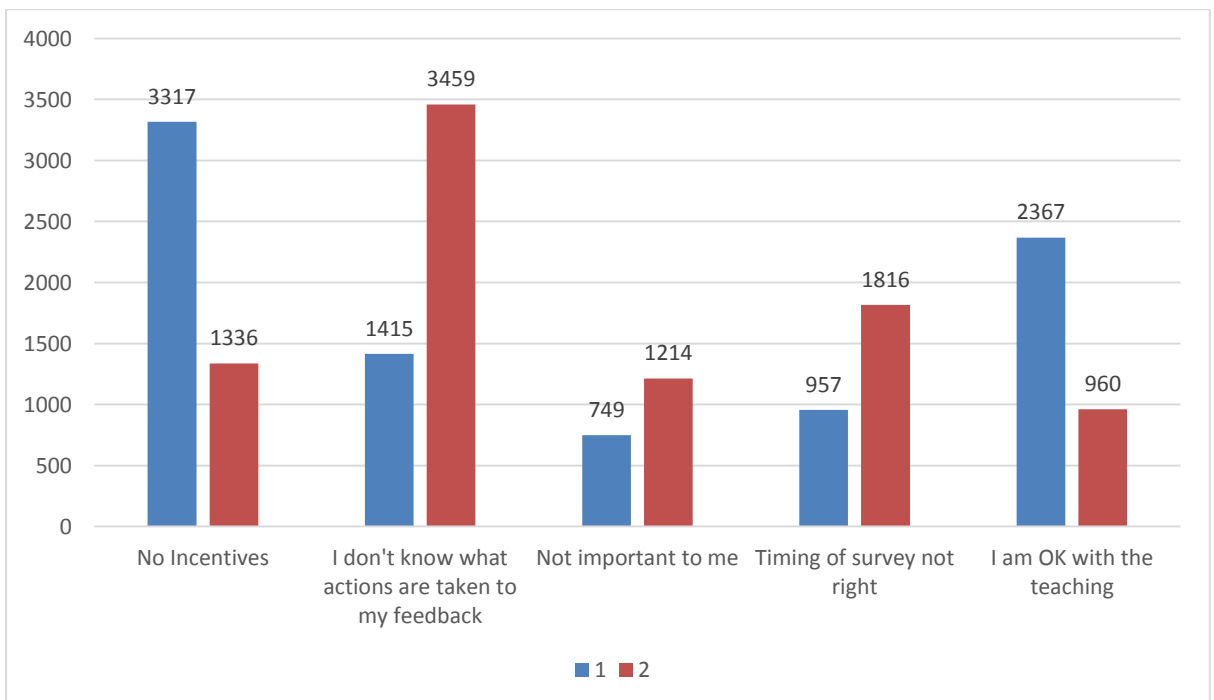

4. Academics

Question 12. Do you do the End of Semester Teaching Feedback survey?

Majority of students do the End of Semester Teaching Feedback survey.

Question 12a. If No, what are the reasons for not doing? (Rank them on the order of why you do not do the Teaching feedback survey) (1 - Main reason, 5- least of all the reasons)

The main reason for not doing is because there are no incentives. The secondary reasons may be either because students are okay with the teaching or that they do not know what actions would be taken following their feedback.

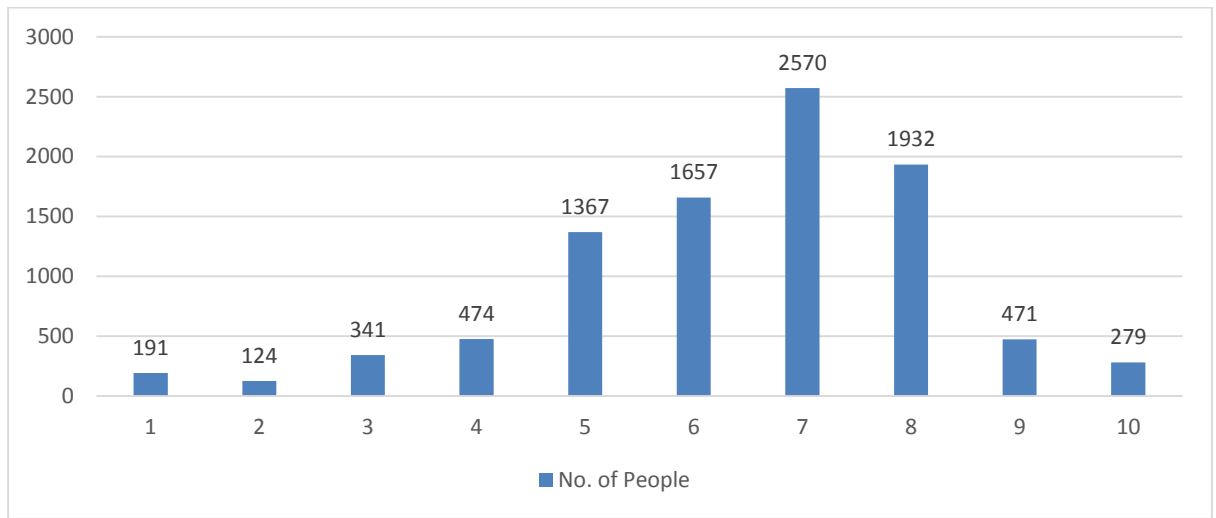

5. Food and Dining

To what extent do you agree with the following statements?

1- Totally disagree

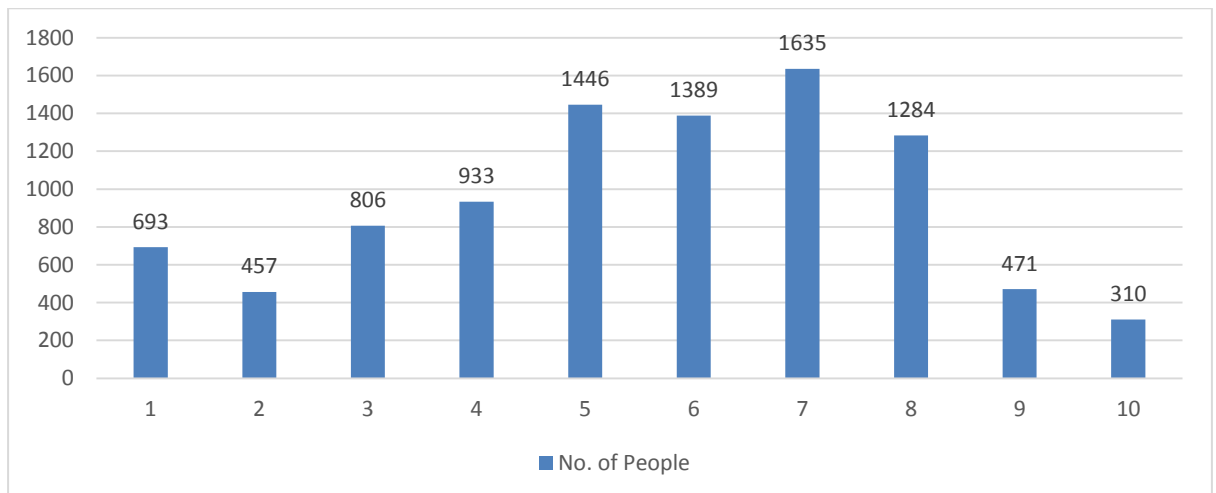

10- Totally agree

The food in NUS are generally delicious

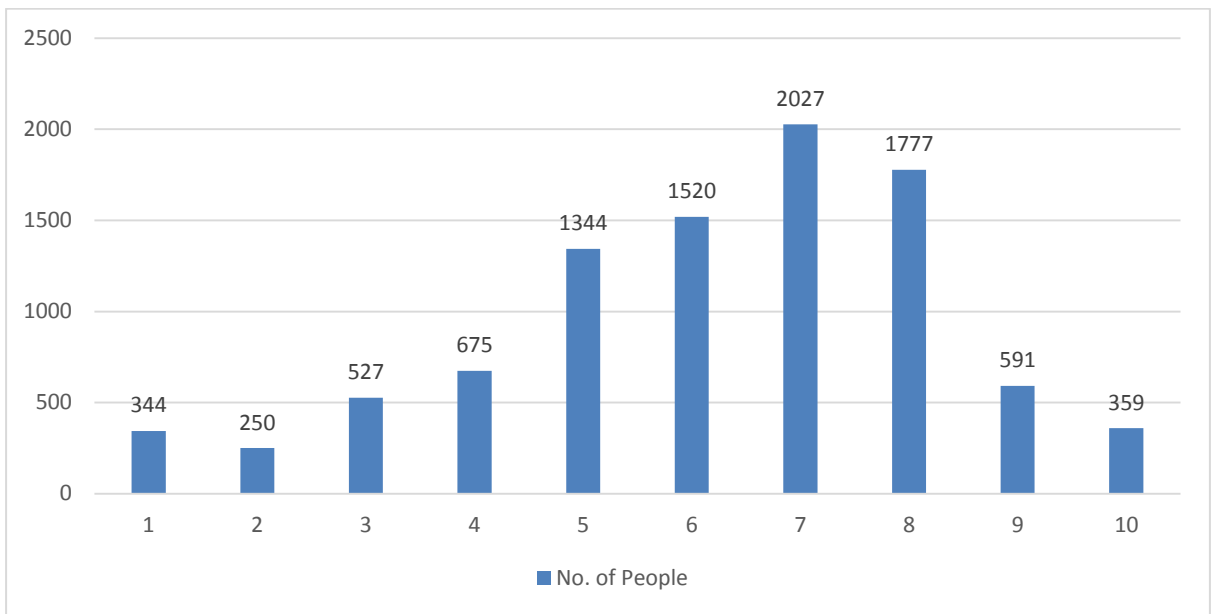

Majority of respondents are satisfied with the quality of taste of the food in NUS.

The queue for food is generally less than 15 minutes during peak lunch period

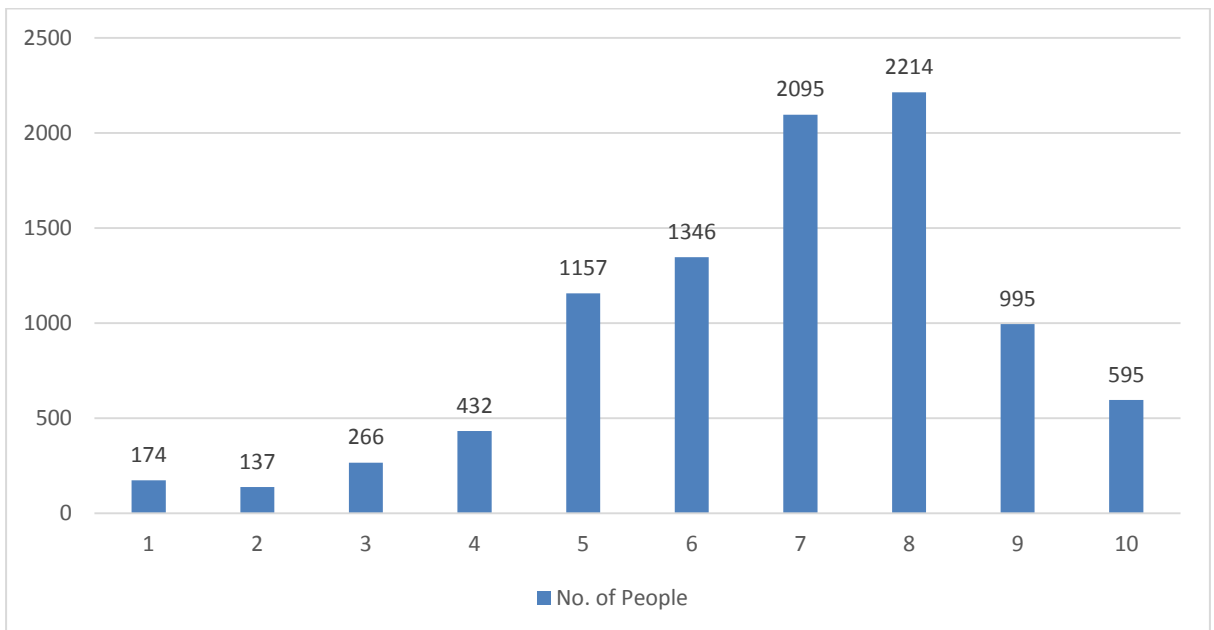

Majority of the respondents could get their food within 15 minutes

There is a sufficient variety of food in campus

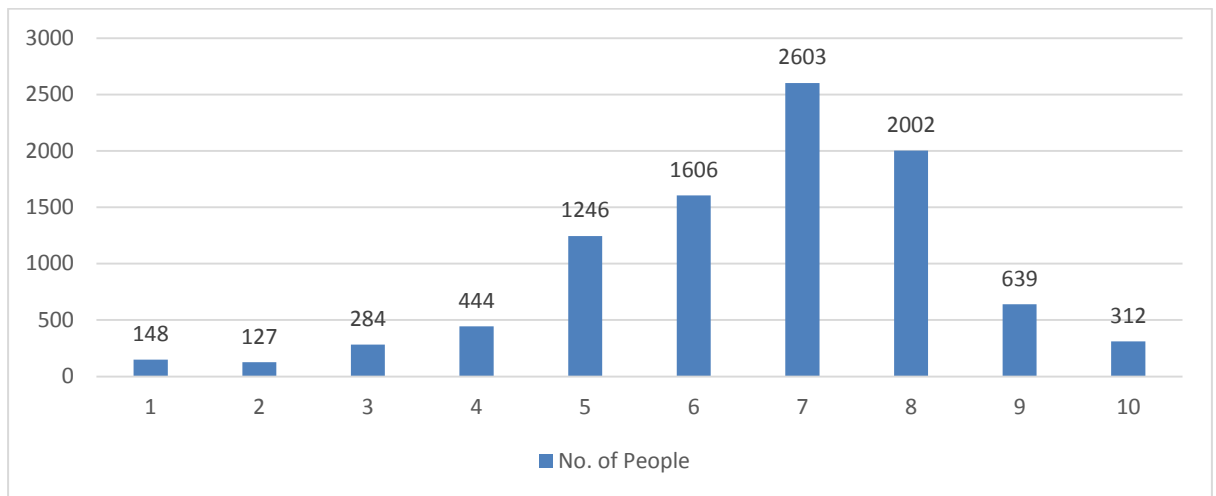

Majority of the student feel that there is a sufficient variety of food in NUS

The food around campus is reasonably priced

Majority of respondents feel that NUS food are reasonably priced

Please rate your overall dining experience in campus

Majority of respondents are satisfied with the overall dining experience in campus. (7-8)
